Instant coffee

Packing 12 x 250 grams

UpTo Gold

This delicious coffee consists for a large part out of Colombian coffee beans, completed with a blend of various aromatic origins with a scent of Robusta for a spicy taste.

UpTo Supergold

This premium quality coffee is composed of a number of top Arabica's with a very mild taste, completed with fine Colombia coffee, strengthening it's warm character.

UpTo Espresso

A beautiful full blend consisting of robust coffee beans. An espresso coffee as espresso is really meant to be. Also the perfect base for a nice cappuccino.

UpTo Excellent

An excellent blend of high quality Arabica coffee with a well-balanced taste, finding it's origin in mild, sweet-smelling, aromatic and robust beans.

UpTo Decaf

A balanced mix of Arabica's, getting it's full flavour by a.o. Colombia coffee. A coffee from which the caffeine has been removed in a very thorough manner.
